BELLE GLADE-PAHOKEE, FL.

Fanjuls to purchase G and W properties

SOUTH BAY - Okeelanta Sugar may see some upcoming changes with its sale by parent company Gulf and Western Industries Inc. to the Fanjul family of Palm Beach, but how these changes may affect the Glades communities, no one will say.

The recent acquisition, which included not only the South Bay 50,000 acres of sugar cane but all of Gulf and Western's sugar operations, was officially announced Friday, Oct. 5, in a brief press release by the New York-based company. The amount of the transaction has not been disclosed.

However, Jerry Sherman, Gulf's vice president of corporate communications, said the properties have an estimated value of \$200 million.

This purchase by the Cuban-American Fanjul's will bring the privately held Flo-Sun Land Corp. at the top of sugar cane landowners in Florida.

Osceola Farms, Flo-Sun's principal subsidiary, owns 50,000 acres of sugar cane and added to the 90,000 acres in Palm Beach, Glades and Hendry counties, the Palm Beach company will pass U.S. Sugar Corporation's 105,530 acres.

But local industry officials seem pleased with the Fanjul purchase.

"U.S. Sugar is glad to see someone who is

already in the sugar cane business in Florida and one that we consider to be of our sugar cane 'farm family' acquire the business (from Gulf)," said Bob Lee, vice president of community affairs.

Dalton Yancey, general manager of the Florida Sugar Cane League, agreed the purchase by a local Florida business was "a positive move" for the industry.

"I think it will mean you will have local influence and that's always good for the Glades," Yancey said, adding, "I think it's

great that they (Fanjul's) can progress and increase their holdings - that's what America is all about, the land of opportunity."

But even though some view the acquisition as advantageous, no one from the Fanjul operation would comment on the purchase.

Alfonso "Alfie" Fanjul, the chairman and president of Flo-Sun Land, and his brother Jose "Pepe" Fanjul, executive vice president of Flo-Sun, were not accepting interviews at this time.

The press release stated there would be "no

significant changes in business relationships or operating personnel." This could not be verified by Okeelanta officials since the general manager, Arthur Kirstein, did not return phone calls.

However, the union workers of the Okeelanta Sugar Mill expressed little concern.

Business representative of Local 152 International Association of Machinists and Tool Die Makers, said he had only heard rumors of the acquisition and that they hadn't been notified officially as of Monday, Oct. 8.

"We don't know their plans. We are in limbo," Cruz said. "Some people want to know if it is sold for such, but we haven't received word so we can't say anything until we are told."

But the union spokesman said he didn't think sugar mill workers had to question the security of their jobs.

"Some of us have been here for 25 years and have gone through two sales (South Puerto Rico purchase and then Gulf and Western) so I don't think we have much to worry about."

"I suspect with this acquisition that nothing will change. At least I hope it will be the same way," Cruz said.

But whether or not there is a concern of job security, industry officials believe the Fanjul

THE SUN SETS BEHIND sugar cane fields recently purchased by the Fanjul's.

Johnston to address Chamber banquet

BELLE GLADE -The Belle Glade Chamber of Commerce is holding its 20th Annual Awards Banquet Thursday, Oct. 18, at 8 p.m. at the Elks Lodge, 300 S.E. Ave. E.

Tickets for the dinner are \$17.50 and may be purchased at the Chamber of Commerce building.

Harry A. Johnston II, State Senator of District 26 will be the featured guest speaker. Johnston was elected Senate President-designate for the Democratic ticket in

November 1984. He was awarded "Most Valuable Senator" and "Most Effective in Committee" by his colleagues in 1983.

The State Senator was also awarded "Most Effective in Debate" by his colleagues in 1982 and Florida newsmen awarded him "Most Valuable Senator" in 1981.

He is currently chairman of the Appropriations Committee and has served as chairman of the Finance, Taxation and Claims Committee, Judiciary-Civil

Committee, Health and Rehabilitative Services Committee and the Personnel, Retirement and Collective Bargaining Committee.

Other featured guest include Bob Lee, public relations and vice president of personnel for U.S. Sugar Corporation, as emcee and Belle Glade City Commissioner Bill Bailey will act as installation officer.

For more information contact the Chamber of Commerce at 996-2745.

Girlfriend of murder suspect gets jail sentence

BELLE GLADE -A murder suspect's girlfriend was sentenced to six months in jail for trying to sneak hacksaw blades and marijuana to him while he was in jail awaiting trial.

Sharon Smith, an 18-year-old from Clewiston, was arrested July 20 on charges of attempting to smuggle narcotics into the jail, and then again arrested on Aug. 6 for conveying tools into a jail to aid an escape.

Following the second arrest, Smith was held on \$15,000 bond. The bond was lowered to \$5,000 after her first court appearance and she was instructed not to come back to Palm Beach County unless she was visiting the public defender or appearing in court.

The tool smuggling arrest came when Det. Steve Haller of the Palm Beach Sheriff's Department was tipped off that a woman driving a blue Camaro was going to try to smuggle something into the jail with the help of a jail trusty.

The detective went to the jail and watched Phillip Chastine, 20, of South Bay. He was the only trusty working at that time.

Smith handed Chastine a bag which he hid in his pants, Haller said. The detective had the trusty relinquish the bag and later Smith was arrested.

Along with the hacksaw blades, Smith also was in possession of a sketch of the jail, both inside and outside, and a shopping list of what the couple would need to carry out the planned escape.

Smith's boyfriend, Richard Dean Romena, 20, is charged with first-degree murder in the May 15 stabbing death of Tina Kirchman.

Romena confessed that he had stabbed the 18-year-old woman more than 20 times in her 424 S.E. Ave. E apartment. The death resulted from an argument the couple had concerning cocaine.

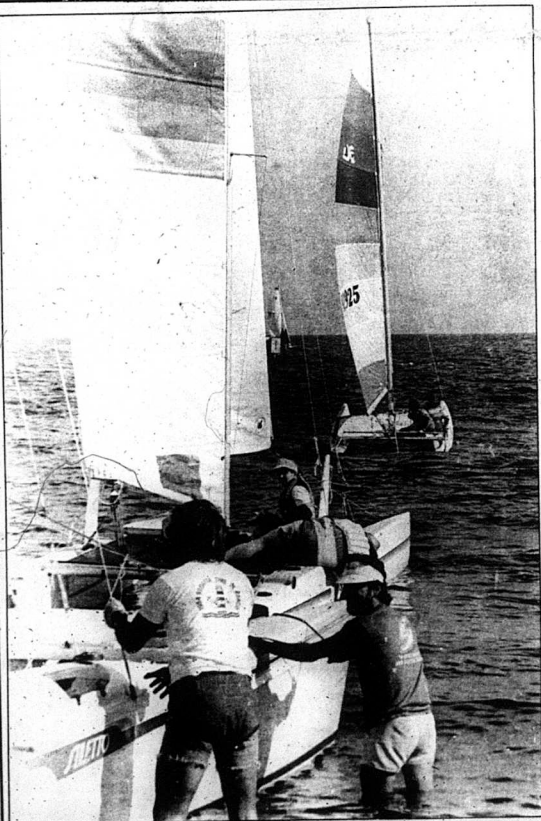

After Smith serves her six month sentence, she will be released on a four-year probation.

Teenager charged with murder

BELLE GLADE -An 18-year-old man has confessed to the shooting death of Charles Edward Davis, 22, 833 S.W. Ave. B Pl, which occurred Friday, Oct. 5.

Lt. Louis Lowery said Kevin Dennard Laws, 18, 732 S.W. Ave. C, shot Davis following a verbal argument. Davis died when the bullet passed through his left arm and entered the upper cavity.

The Belle Glade Police Department transported to the county jail.

Setting sail from Pahokee

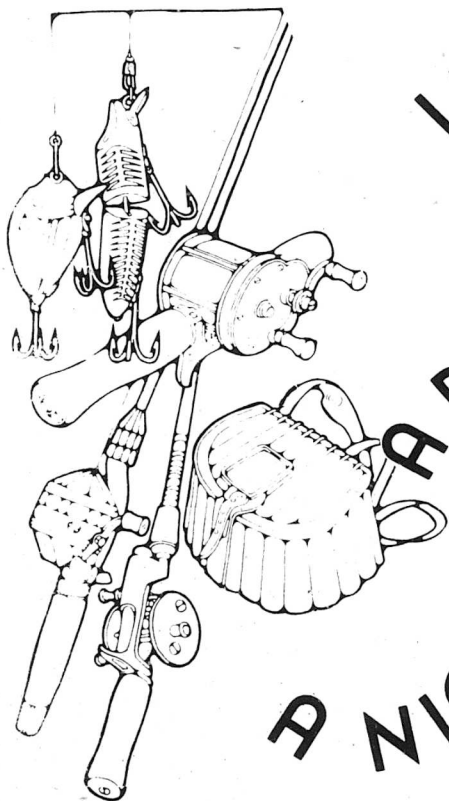

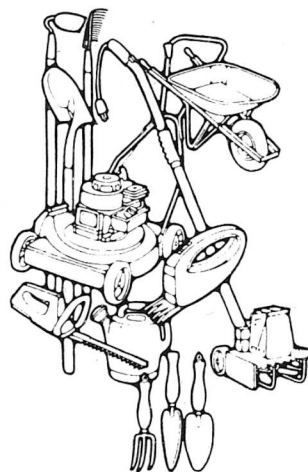

SAILORS PUSH THEIR CATAMARANS out in the waters of Lake Okechobee Saturday, Oct. 6, to compete in a 37-mile race from the Pahokee City Marina to Oke-

tantie Marina. This is the first time the U.S. Sailing Academy of Delray Beach has sponsored a race of this kind but the group plans to make it an annual event.

Lt. Louis Lowery said Kevin Dennard Laws, 18, 732 S.W. Ave. C, shot Davis following a verbal argument. Davis died when the bullet passed through his left arm and entered the upper cavity.

The Belle Glade Police Department found Davis's body at the foot of the rear stairs of 517 S.W. Ave. B Pl. behind the Little Harlem Bar.

Laws told police he threw the gun into the canal near West Canal Street. Police spent the entire morning Saturday, Oct. 6, searching for the weapon. Lowery said the police didn't find anything "except a bunch of shopping carts."

Laws was charged with first-degree murder and transported to the county jail.

Repair of water meters to increase funds to city

PAHOKEE—Pahokee High School, Everglades Memorial Hospital and the City of Canal Point may owe Pahokee for water service due to broken meters.

During an August budget session, city council members felt they could increase the city's revenue by repairing faulty water meters. Recent inspections proved these three users have had broken meters dating back to 1976.

City councilman, Ronnie Graydon, suggested to his colleagues at the regular city council meeting Tuesday, Oct. 9, that the city auditor check the accounts.

"I would like to see the city auditor audit these accounts, verify the dollar amounts and then attempt to start collecting them," Graydon said.

The city clerk, Betty McCoy, said the high school has been billed the city's minimum amount for water service since 1976. City council members voted to rectify this by averaging the water usage instead.

"Since we have put

in a new meter at the school it will provide an accurate reading and it may be of help to determine the water usage," said Director of Utilities Ed Belders.

But since Canal Point is under contract with the City of Pahokee, it is their responsibility to maintain the water meter, McCoy said.

The city attorney is receiving an average bill until the meter is repaired, McCoy said.

In other business Tuesday: •City council members agreed to donate \$100, the total donation amount figured in the city budget, to the Drug Awareness Program.

Arthur Moree, director of the program, attended Tuesday's meeting to ask the high school for help in obtaining transportation for the children at the center.

Moree said he has located a bus that sells for \$1,000 and he is looking for financial help.

"Parents are concerned about the children getting to and from the center," Moree said. "We provide activities for the kids in the evening but we are having a problem with the transportation."

The program director said he has about 70 members of the center already and with a bus he can attract more children to the program and help "keep the kids off the street."

City councilman W.E. McKinstry said, "there is no way we can spend \$1,000 when we have but \$100 for contributions."

But he suggested the council put the request on the agenda for the revenue sharing budget.

Moree said the children of the program would be willing to do odd jobs for money for the center.

"Even though we receive donations we still like to work for it," he said.

Councilman Walter Rashley suggested the council to donate the \$100 for the center and still consider the bus in the revenue sharing budget.

Council members approved the motion.

Farmworkers may be eligible for insurance

You may be eligible for Blue Cross/Blue Shield Health Insurance through the Florida Agricultural Health plan for 1985. This insurance is being offered to a limited number of migrant and seasonal farmworkers and their families.

The cost is \$80, per year for families and \$50 for singles. Applications will be taken September 1 through November 30 at Glades Community Health Center, Belle Glade.

Altman re-elected

Belle Glade mayor

BELLE GLADE—Thomas L. Altman will serve yet another term as mayor making this his sixth term on the commission.

Although Altman could not attend Monday's, Oct. 8, city commission meeting, commissioners went ahead and reappointed him in his absence.

Claude Tindall was reappointed as vice mayor and Charles Goodlett will again serve as treasurer.

John Baker was renamed as city attorney along with assistant city attorney Michael Grundstaff.

Purchase—

Continued from 1 purchase can only help the area.

"It is better that a local outfit bought them than some big conglomerate that is nameless and faceless," Yancey said.

Fritz Stein, a sugar cane grower in Belle Glade, also felt the change was beneficial to the Glades.

"I think it (acquisition) is positive. At least they are industry people," Stein said.

Stein said he didn't believe there would be a noticeable difference in the "labor setup."

"I don't think we'll see any changing of the guard other than a changing of the guard," he said.

The beauty of this place

It looked as if God had taken a cosmic paintbrush and splashed it across the western sky. The sun had just dropped below the horizon, leaving behind streaks of deep pink amid the whirly gray clouds and the twinkling of a lone star overhead.

A cool breeze rustled sweet-smelling grasses and wild flowers as hundreds of lightning bugs flashed pale-green signals in the growing darkness and crickets sang their age-old song.

The spell of calm waters lapping at the shoreline was broken only occasionally by something splashing faintly in the darkness.

The world seemed at peace and the worries of the modern world far away. Where was this Shangri-la?

Would you believe just another Glades sunset Saturday viewed from atop Hoover Dike? Sometimes we take the beauty of this place for granted. We are blessed to be able to call the Glades home.

Some of the Glades' most famous residents are so young that they are still novices at the adult rituals of shaving and voting.

I'm talking about the batch of young football athletes now making names for themselves on the national scene.

Randy Dixon and Wycliffe Lovelace of Clewiston, for instance, were seen by millions coast to coast Saturday as their teams - Pittsburgh and Georgia - played on national television.

Belle Glade's Jessie Hester is making quite a reputation for himself with his speed and pass-catching ability for undefeated Florida State University this year.

And Pahokee's Randy Jackson is a fixture for the New Orleans Saints.

The Pahokee - Clewiston football game Friday, Oct. 12, is one of those games that needs no hype.

Even if there were nothing written about it all week, Clewiston's Cane Field stadium would probably be a sellout.

This is a classic high school grid contest. Two natural rivals will be competing for nothing less than the right to compete in post-season play.

For the record, the history of play between the two teams since 1943 is a standoff: each has 17 wins, 17 losses, and two ties. You can't get much more even than that.

The Clewiston Lions Club will be serving spaghetti supper in the CHS cafeteria from 5:30 to 7:30 p.m. prior to Friday's game with Pahokee.

You can purchase a ticket from any Clewiston Lions Club member or at the cafeteria. Student meals are \$2 and adult meals are \$3.

FHSAA drops a bombshell

The Florida High School Activities Association Board of Directors dropped a bombshell Monday, Oct. 8, when they passed a far-reaching restructuring plan to take effect next fall.

The plan would have major ramifications for all Glades area schools.

Here are some of them:

- Clewiston High School would become a Class 3A team and compete in a 10-team district, including Glades Central, Naples, Naples-Lely, Boca Raton Pope John Paul, Okeechobee, Riviera Beach - Suncoast, Stuart - South Fork, West Palm Beach Cardinal Newman, and West Palm Beach North Shore.
- Pahokee would remain a Class 2A

Editorial

school and go into a district with Fort Lauderdale Pine Crest.

•Moore Haven would become a Class 2A school and move into a district with Glades Day School, St. John Neuman, North Palm Beach Benjamin, and West Palm Beach - King's Academy.

If Clewiston is locked into the proposed district format, all 10 of its regular season games would have to be with district teams.

Note, this leaves no room for playing traditional rival Pahokee. In addition, being in different classifications, Pahokee and Clewiston would in future years have no incentive to play each other.

At first glance, the reclassification of Moore Haven and Glades Day School would appear to be of little consequence. After all, they will be playing many of the same teams they are already playing.

But in addition, they can expect to

encounter such traditional Class 2A powers as Fort Lauderdale Pine Crest and Pahokee...at least once they enter the state playoffs.

It hasn't been so long ago that the FHSAA redistricted many Class 3A schools to 2A, the rational being that the number of 1A and 2A schools had steadily been declining. Sebring, Wauchula, and Eustis (the current state champion football team) were some of those converting from Class 3A to 2A.

Under the new proposal, there would be 48 1A schools, 67 2A schools, 66 3A schools, 80 4A schools, and 90 5A schools.

Class 5 is the new "Super Class" created by the recent realignment.

In Southwest Florida, only Cape Coral would become a Super Class school. The irony is that Cape Coral already has difficulty holding its own against 3A schools.

Directors of the FHSAA may have felt they had no alternative but to redistrict. We see lots of problems with the new alignment and hope for some refinements before they lock it in place.

Letters policy

We solicit and encourage letters to the editor.

Our guidelines are simple:

- ✓No libelous content.
- ✓Letters should be relatively brief - no more than 300 words as a general rule.
- ✓Signatures are required.
- ✓No poetry, please.

City approves 40-home subdivision

BELLE GLADE - A new subdivision on S.W. 9th and 10th streets providing homes for 40 local families was approved by city commissioners Monday, Oct. 8.

Director of Planning and Community Development Renar Harvin said the project will include eight single family dwellings and 32 multi-family dwellings and will be developed by the Houston Realty Investments Inc.

Although the proposed project is only in the planning stages, some revisions had to be made before commissioners could grant approval.

The Planning and Zoning Board suggested the city approve the Houston subdivision provided the multi-family lot layout be increased from four to eight lots and the utility-drainage easement be increased from 20 to 25 feet.

Harvin told commissioners the subdivision regulations required the developer to provide recreational facilities, but since Lake Shore Park is in close proximity (within two blocks) to the housing complex, he suggested a required fee of \$50 be paid per unit. The developer agreed to donate the \$50 per unit.

City Manager W.E. "Tom" Strang asked commissioners if the developer could expedite the project by beginning work in December instead of the scheduled January date.

In other business Monday:
 • November will be "Beautification Month" as suggested by the Belle Glade Beautification Committee.

The group plans to recruit all city organizations to help beautify the city's median strips.

• Commissioners have approved to expand the bike path on S.E. Avenue G from Main Street to Gove Elementary School in order to

provide a more safe walking path for school children.

Concerned parents attending the city meeting told commissioners the risk their children take every time they walk to school.

"The bike path is so close to the road that I'm not sure every time the bus driver passes by (the bike path) she can see my child," said My-linh Watve of S.E. 6th St.

Strang told the mothers the city has plans to expand the bike path and construction should get underway in "about two weeks."

The projected cost is between \$7,500 and \$9,000.

\$9,000.

• Commissioners agreed to donate \$1,000 to the Western Palm Beach County Mental Health Clinic for a new crisis stabilization center.

Joe Amato, executive director of the clinic, said he will check with the Palm Beach County Housing and Community Development and the Farmers Home Administration to see if either organization will provide a grant to build the new facility.

Amato said the city's donation will help pay for part of the "planning process."

Agencies prepare anti-crime program

Local law enforcement agencies are kicking off a crime prevention program for parents and children Saturday, Oct. 20, in honor of National Crime Prevention Month.

Featuring police officers from Belle Glade, South Bay and Pahokee as well as members of the Palm

Beach County Sheriff's Department, the program will be held at the Glades sub-station from 9 a.m. to 2 p.m.

A tour of the sub-station and booking area of the jail will be offered to the public guided by the Explorer Scouts.

Several displays to aid in the educating of the law system and crime prevention will

be set up.

A puppet show to entertain children between the ages of six and 10 will be featured every hour on the quarter hour starting at 9:15. The show will focus on topics such as drug abuse, stranger danger, child abuse and bicycle and safety protection.

Also a table will be set up for children to be finger printed and a Missing Children's card will be filled out so parents can have their children registered with local law enforcement agencies.

Children must be accompanied by an adult to be finger printed. A Batmobile, which is a converted van with a breathalyzer and video camera used for testing on the roadside

for possible DWI's, will be on display.

There will also be a Marine Patrol Boat, Helicopter, traffic unit and two motor cycles.

A mounted patrol officer on horseback will offer demonstrations every hour.

This will also be the time for Pahokee residents to be able to sign up for a Pahokee Police Department Crime Watch program. S.W.A.T. will attend the program as well as K-9 from the Palm Beach Sheriff's Office, Belle Glade Police Department and Pahokee Police Department.

And McGruff the Crime Dog will be there to make sure the Glades residents will help "take a bite out of crime."

Identification of body sought

BELLE GLADE - Police are still trying to identify the body of a man found floating in the Hillsboro Canal Friday, Oct. 5.

Det. Michael Johnson of the Belle Glade Police Department responded to a call after some children discovered the body on their way to a Glades Central football game.

Lt. Louis Lowery said the Palm Beach County Medical Examiner's office performed an autopsy Saturday, Oct. 6, and it was reported that there

was no evidence of foul play. Lowery said it "was consistent with an accidental drowning."

Lowery said police checked to see if a car had gone into the canal but there was no evidence of that.

The man was described as a black male, 25 to 40 years old, 5 feet 5 inches tall, 170-180 pounds, with brown eyes and a black medium afro haircut.

He was wearing a white t-shirt over a tan pullover shirt, grey pants and white tennis shoes.

Clewiston hosts Pahokee in key district matchup

By JIM JONES

Like the "Shootout at the O. K. Corral" and the "Thrilla in Manila," the combatants in the Clewiston-Pahokee football game aren't looking down the road any further than their contest Friday, Oct. 14, at Cane Field.

There may be no tomorrow for the team which loses this crucial Class 2A, District 14 contest.

A loss would throw a damper on any kind of hopes for post-season playoff competition.

Clewiston brings a 4-0 record and number three state ranking into the game. Although Pahokee is 1-4 and unranked, both coaches realize that any differences in team talent are minor. Victory will undoubtedly depend on which team can muster the greatest intensity and make the fewest mistakes.

"I figure it will be a typical Clewiston-Pahokee football game: lots of hard hitting and it won't be decided until the final whistle," said first-year Pahokee coach Donald Thompson.

"We're looking for a great football team in Pahokee. They are physically as good as any team we'll face in the regular season," said Clewiston Coach Al Morrell. "We've never had any problem getting our kids ready for Pahokee. You mention Pahokee and our boys are ready."

Pahokee started the season with about 30 players, but is down to 23, losing some players to injuries and others to discipline problems. Clewiston will suit up about 26 players.

"Every boy must play to the best of his

ability," said Thompson. "This is a most important game for us. We must win to stay in district contention. I would never count Immokalee out."

Clewiston beat Immokalee in its third game of the season. The Blue Devils have yet to play Immokalee.

Pahokee and Clewiston will both bring balanced teams into Friday's game. Both teams can rush or throw the football on offense and play tough defense.

Pahokee quarterback Ken Berry was hurt in the Blue Devil opener with Glades Central, but is once again healthy. In Pahokee's last game, he completed 9 of 15 passes for 200 yards. His favorite target is wide receiver Donald Edwards, who is averaging about 50 yards in pass receptions a game.

"We run a pro offense," said Thompson.

Clewiston quarterback Wade Walker, a nifty scrambler and effective passer, leads the Clewiston 1-formation attack. He'll be handing off to gritty fullback Leonard Mixon and throwing to speedy Doug Parris and big tight end Elmer Whitfield.

Clewiston's line is anchored by two-way starter and co-captain Ken McDuffie.

On paper, Pahokee would seem to be the underdog. "We don't have as much speed and quickness as Pahokee teams in the past. We're smaller than Pahokee has been too," said Thompson.

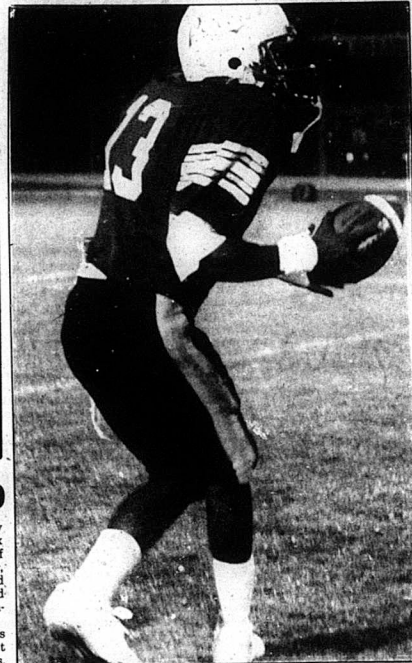

On the field, however, fans are likely to see two very evenly matched football teams.

"I'm really looking forward to a great football game," said Morrell.

Friday's game starts at 8 p.m. at Clewiston's Cane Field.

GLADES CENTRAL TEAM member catches a pass from quarterback Ken Hammond.

KEN HAMMOND, GLADES Central quarterback, searches for an open team player to pass the ball.

Forest Hill blanks Raiders

Glades Central's quarterback Ken Hammond managed to overthrow the ball throughout Friday's, Oct. 5, game giving away seven interceptions to rival Forest Hill.

The final score was 21-0 bringing the Raiders record to 3-2 overall and 1-1 in the Palm Beach County Athletic Conference Central Division.

Hammond completed 12 of 37 passes for 130 yards.

The Raiders will play the next game against Atlantic away.

Maybury

Twin Lakes edges Pahokee 26-20

The Pahokee High School football team has had some "heart-breaking" games this season including Friday's, Oct. 5, game against Twin Lakes.

The Blue Devils played a tough game up to the second overtime, but they just didn't hold off Twin Lakes' winning touchdown ending the game 26-20.

"We played good it just didn't end the way I wanted it to," Coach

Donald Thompson said.

Thompson said the team did cut down on their penalties and he said they are going to work on their kicking game.

"I got confidence that they are not going to quit - that they're going to do their very best," he said.

The Blue Devil's coach said he was looking forward to Friday's, Oct. 12, game with Clewiston.

"I'm looking forward to Clewiston's game and with them (his team) putting in the effort we may end with a victory," Thompson said.

But with the Twin Lakes game, Thompson said he was disappointed with the loss but proud of his team.

"The boys fought hard right down to the last second - it was a real heartbreaker," he said.

Recognized offensive

players were: Kenny Berry, quarterback who completed 7 of 13 passes; Eric Butler, running back; Donald Edwards, receiver; and Pell Thompson, running back.

Defense players showing good effort were: Vincent Jones, head linebacker; Carl Bess, linebacker; Hosie Smith, tackle; Tyrone Holmes, nose guard and Marion Sherrod, tackle.

Glades Day beats Lake Placid

Glades Day is holding a perfect 4-0 season so far adding Friday's, Oct. 5, against Lake Placid to their wins.

But even with the flawless record, Coach Byron Walker Jr. said the team didn't do as well in the first half as he would have liked to have seen.

"The defense was the

big factor in the ball game. The score was 8-6 at the first half and the defense got the ball in a good field position for us in the second half which gave us some good scoring opportunities which we took advantage of," Walker said.

He said Willie Bueno picked up a fumble and

ran it for a touchdown. Derek Kirby had two interceptions and Jason Mann had one interception.

"The defense did a tremendous job. When they got the ball in the second half the offensive line did a good job of making work of it," Walker said.

The Gator's coach

said the team will be travelling to West Palm Beach Friday, Oct. 12, to play King's Academy.

"King's hasn't won a game yet and I expect they will be extremely motivated for us. The fact that they haven't won a game has me worried because they are due," he said.

South Broward outscores CDS

Christian Day lost to Hollywood Christian, 34-0 at South Broward High School Friday.

Oct. 5. This makes the Crusader's fifth

straight loss. This week Christian Day plays Freedom

Christian Saturday, Oct. 13, at 10 a.m. away.

Lake fishing report

Compliments of Tennessee's Pro Guide Service

Well, this makes the second week in a row I get to congratulate Chip Lewis & Max Out for taking first place in the Slim's tournament last Sunday. These anglers brought in 34 lbs. of bass using top water plugs, & fishing around Rita Island. I asked for the latitude & longitude of the area they were fishing, but all I got was a snicker & a chuckle. Don Hughes brought in the largest bass in the tournament - 8 lb. 3 oz.

Fishing with shiners in the Pelican Bay area

has really produced some great catches. Gary Bowermeister brought in several real nice fish with the largest weighing 9 lb. Juanita Bowermeister did even better with a 9 lb. 4 oz. bass. Sam & Polly Williams had a great day bringing in 5 fish over 5 lbs. each and one weighing 8 lb. 12 oz.

The area of the old farm lands, commonly called the "corn fields" are yielding some fine fish using small top water spinner minnows and bang-lures. The best spots to fish are the small openings in the grass and the edges of the old drainage ditches. Several fishermen

have reported bass being caught on grape charruense worms as well as motor oil worms with charruense tails.

Another good spot for bass is the rim canal. Mike Wilkinson and I caught some nice fish there using crawdad worms and Bomber 7A fire-tiger crank bait, this past week.

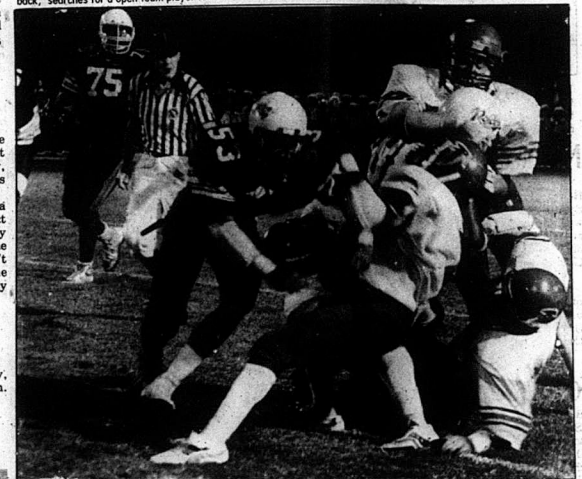

Specks are biting grass shrimp at the dynamite holes and a few bluegill have been caught on crickets.

Tip for the week: If your motor is slow to start and you have a small motor with a pull start, check your rope for wire. For a small electric motor, check

the gear tooth on the top of the starter for wire.

Anyone wishing to share your fishing results with our readers can contact me at 996-7222.

FOREST HILL AND Glades Central players fight for possession of the ball Friday, Oct. 5.

A RAIDER TEAM player catches the ball Friday, Oct. 5, before he is stopped by rival Forest Hill team player.

New kidney center opened

BELLE GLADE The opening of the South Lake Kidney Center at Glades General Hospital is good news to several local kidney patients who used to travel to West Palm Beach three times a week for dialysis.

The center began treating patients in August but administrative officials held an open house Sunday, Oct. 7, to give the public the opportunity to see the facility.

Linda Bertram, administrative head nurse, said the kidney center is currently treating 20 patients on Mondays, Wednesdays and Fridays. She said as soon as more medical personnel are trained, the center will service a total of 40 patients.

The South Lake Kidney Center now has seven employees including Bertram.

Dr. M. Ramachan-

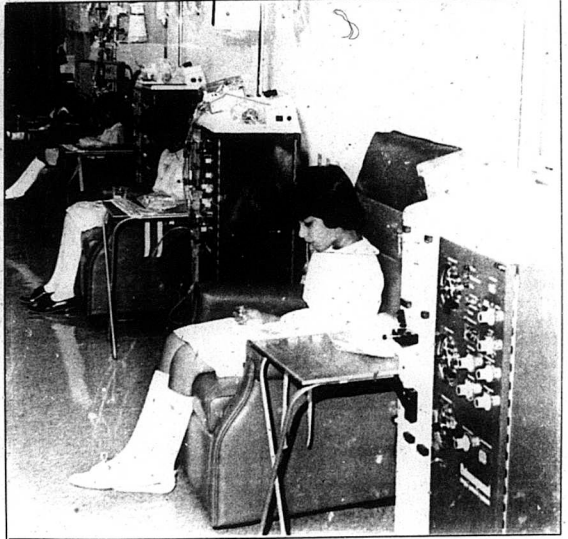

dran is the medical director and there are two other registered nurses, two technicians and a secretary.

Bertram expects 30 patients to be regularly visiting the center by the end of the year.

"Dialysis, a Greek word for purifying, takes the blood out of one access and goes through an artificial kidney and is cleaned. It is returned through another access and

cleaned of waste products and the fluid is drawn off," Bertram said.

Bertram said that nearly 75 percent of the center's patients used to travel to West Palm Beach which she said was rather inconvenient since the trip had to be made three times a week. For more information about the center, call Linda Bertram at 996-0168.

Minister receives honorary degree

Rev. Clifford C. Davis, Pastor of the Local Wesleyan Community Holiness Church of Belle Glade was recently awarded an honorary Doctor of Divinity Degree on Sept. 13, by The Church of Gospel Ministry, Inc. of Chula Vista, California. The Rt. Rev. Charles W. Finn made the presentation.

KATHY SMITH, R.N. CHECKS the blood pressure of kidney patient, Major Hoskins of Pahokee while administrative

head nurse Linda Bertram looks over his file at the new South Lake Kidney Center.

New pediatrics clinic opened

PAHOKEE Dr. David W. Martin has announced the opening of the new Everglades Pediatrics Group located at 260 S. Barfield Highway, Building 1, Suite B.

The pediatric group includes Dr. Martin

and three other physicians certified with the American Board of Pediatrics. They are: Dr. Rodney Young, Dr. Carolyn Hudson and Dr. Oliver T. Brooks.

Dr. Martin also announced prospective plans of opening a

medical clinic providing services in pediatrics, orthopedics and physical therapy at the old Church of God, 185 S. Barfield Hwy., located across from Everglades Memorial Hospital.

Everglades Pediatrics Group plans to move into the new building upon its completion which is expected in about four or five months. Dr. Martin said.

The Everglades Pediatrics Group can be reached for appointment at 924-3372. For house emergencies call evenings and after 996-2235.

ment at 924-3372. For house emergencies call evenings and after 996-2235.

ARC fish fry set at marina

BELLE GLADE A fish fry, sponsored by the Glades Area Association for Retarded Citizens (GAARC), will be held at the Belle Glade Marina, Saturday, Oct. 13 from 11 a.m. to 2 p.m.

GAARC Executive Director Dortha Carroll said the fish will be

cooked by Pablo Sanchez, Chip Lewis, Ken Treadway, Darrell Mathis and A.H. Berber. The GAARC board members and staff will serve the food.

The dinners are \$3.50 for adults and \$2 for children's plates. Take-out is also available.

Harvest of Love dance planned

BELLE GLADE The Glades Area Cancer Crusade Committee "Harvest of Love" dance is Saturday, Oct. 13 at the Belle Glade Elk's Lodge.

The dance will be from 9 p.m. to 1 a.m. The tickets are \$10 per person and includes breakfast.

Simon Train from "Country K" radio will be giving away albums

and t-shirts. Tickets can be purchased at the door.

The biscuits and sausage for the breakfast were donated by Popeye's of Belle Glade, C and C Supply Company of Belle Glade supplied the paper goods and Winn Dixie Stores gave a \$100 gift certificate for the purchase of breakfast supplies.

Antique engine show planned

The Florida Flywheelers are sponsoring an antique gas engine show, October 13 and 14 at John Stretch Park, Lake Harbor.

The show will feature antique gas engines, farm equipment and cars. For additional information call E.J. Mikovsky at 996-6363.

Canal Point Halloween carnival slated

Canal Point Elementary School will host its annual Halloween carnival Saturday, October 27 at the school.

The parade line-up will begin at 4 p.m. with the judging at 4:30 p.m. The carnival and a chili supper will begin immediately following.

THE ASSOCIATION FOR RETARDED CITIZENS recently received a handicapped-operated tricycle donated by the Lake Worth Life Members Club's

Telephone Pioneers of America. Pictured (left to right) are: Nawaf Hassan, school teacher Susie Prince and Maria Guano.

Nursery owner speaks

Bo Shiver, owner of Springhouse Nursery, was the guest speaker at the Sept. 14 meeting of the Belle Glade Garden Study Club.

He explained the art of landscaping, and the use of plants and trees that are indigenous to the area, therefore easy

to grow and care for.

Club members met at the home of Joan Baughman. Nine members and two guests, Linda Towell and Faye Stewart, were present.

Faye Stewart won a floral painting done by Frances Ball.

All officers for the

forthcoming year installed in May at the home of Ana Mae Chapman were present.

Echo Painter installed Joan Baughman as president; Nancy Creech, vice president; Ana Mae Chapman, secretary; Nataleah Nachman, treasurer.

October star student announced

BELLE GLADE Stacey Bohannon, a sophomore at Christian Day School, was chosen star student for the month of October.

She is the 14 year old daughter of Linda Bohannon and has at-

tended Christian Day

School for eight years. She is presently a member of the Key Club, Fellowship of Christian Athletes, the Annual Staff, on the honor roll and in the Crusader Choir.

Stacey is also involved with the Law En-

forcement Club, was selected class favorite and is president of the sophomore class.

She plays volleyball, basketball and softball for the Crusaders. Stacey hopes to one day become an attorney.

BELLE GLADE, FLORIDA

CATAMARAN COMPETITORS UNLOADED their sailboats at the Pahokee City Marina where the 37-mile race began. The finish line was at the Okee-tana Marina.

Catamarans converge on Okeechobee

CONTESTANTS IN SATURDAY'S Catamaran push their sailboat out into Lake Okeechobee to prepare for the 37-mile race.

CATAMARANS OF ALL SHAPES and sizes entered the Lake Okeechobee Catamaran last Saturday, Oct. 6.

PAHOKEE - It was an unusual sight on Lake Okeechobee Saturday, Oct. 6, when 44 brightly-colored catamarans set sail across the water from the Pahokee City Marina.

The sailors raced the flat, twin-hulled boats 37 miles from Pahokee to Okeechobee in the first Lake Okeechobee Catamaran sponsored by the U.S. Sailing Academy in Delray Beach.

The race began at 10 a.m. and was expected to take anywhere from 4-8 hours, however, some made the distance in less time and others in more.

John Schandelmayer, 36, and Lisa Dudley, 28, of West Palm Beach received the winning gold medal, finishing the competition in 1 hour, 40 minutes and 10 seconds.

Rep. Ray Liberti of West Palm Beach came in last after losing his way to the finish line. The race proved to be a new experience for the boaters since catamaran sailors are more familiar with ocean waters, but due to the large turnout officials of the U.S. Sailing Academy plan to make the race an annual event.

A twin-hulled sailboat set sail Saturday.

Collection dates announced in BG

BELLE GLADE - The Sanitation Department of the City of Belle Glade has announced a change in collection routes of N.E. 25th St. to N.E. 29th St. from Tuesday and Friday to Monday and Thursday.

Other areas affected by the change include University of Florida Agriculture and Research Center,

Stillwell Road, Whiteaker Road, Wedgeworth Road and Linda Road from Monday and Thursday to Tuesday and Friday.

The sanitation department's press release indicated that due to the city's growth and the increase in construction, the residential garbage collection had to be realigned.

Abuse film to be shown

SOUTH BAY - The Youth Advisory Council (YAC) of South Bay will be showing two films at 7:30 p.m., Thursday, October 11 at the South Bay City Hall.

The films are on drug and child abuse and were shown Sept. 19 at a previous YAC meeting. According to

YAC Secretary Vernita Hodges, the turnout was good and the organization decided to reshoot both programs.

Hodges said the films are for parents only and a question and answer session will be held following the shows for anyone with questions.

Palm Beach School menu

Our Service Never Ends!

We don't shut our doors after April 15. At H&R Block, our service is year-round. That means we're available to answer tax questions and to assist in audits, preparing taxes or filing estimates, anytime.

And, if you need year-end tax planning advice, stop in before you come to see us in 1985 and we'll do our best to help you make your taxes manageable.

Plus, we'd be happy to review any returns prepared by someone else to see if we can find you extra tax savings.

Call or come in to the Block office listed below.

H&R BLOCK - the year-round income tax people.

ASCS elections slated

The Agricultural Stabilization and Conservation Service (ASCS) Community Committee Election this year will be on December 3. Ballots will be mailed to voters about 10 days before the election. The voted ballots must be mailed or returned in person not later than December 3.

The ASCS Communities in the county are known as: Belle Glade, Pahokee and Coastal Communities. You will be sent a ballot for the community in which your principal farming interest is located.

A slate of at least five nominees will be developed for the Community. You have the right to nominate candidates by petition. If

you need additional petitions, you can obtain more copies at the County ASCS Office.

Each petition must be: 1. Limited to one nominee. 2. Signed by at least three eligible voters in the community. 3. Include a certification that the nominee is willing to serve if elected. 4.

Received at the County ASCS office not later than October 29, 1984.

Persons nominated should be currently engaged in the operation of a farm or ranch and be qualified for committee work. In general, a farmer is eligible to be a community committee

member if the farmer lives in the community in which he/she is eligible to vote.

The duties of community committee members include: 1. Serving as delegates to the County Convention to elect the County Committee. 2. Other duties as assigned by the County Committee Chairperson.

ASCS Committee Elections are open to all eligible voters with regard to race, color, religion, sex, age or national origin.

Rev. Robert Carlson

A Pinch of Salt

"In 1492 Columbus sailed the ocean blue." But was he really the first to discover America? For many years it has been believed that approximately 500 years earlier, Lef Erikson discovered America when a storm drove him off course as he sailed from Norway to Greenland.

Now there is a theory that several hundred years before Lef Erikson, some Irish monks moved to North America to flee the temptations of women. Their writings have supposedly been found on the walls of caves in West Virginia.

So, Christopher Columbus may not have been the first to land in the New World, but he was responsible for something just as important. Columbus was certain that the earth was round, not flat. He was not the first to voice this novel idea, but he put his theory to the ultimate test by daring to sail beyond the horizon, risking the presumed possibility that he may drop off the edge of the earth.

Of course, today, everyone believes that the world is round; or almost everyone. In England there is THE LATEST EARTH RESEARCH SOCIETY, boasting 2000 members. It was founded in 1800 for "seekers of truth."

They insist that Columbus and even the astronauts are victims of some kind of delusion. What they believe, and continually seek evidence for, is that the earth is not a planet, but is infinite in size and actually a world without end.

How could you like to live next door to a guy who believed the world is flat? You may

even know someone, as I do, who refuses to believe that man has walked on the moon; one of my relatives insists the whole thing is a hoax. That kind of person you can't reason with.

Now that you have read this far I assume you are intelligent, open minded, reasonable. (You're welcome) Let me share with you a new discovery that really blows an old theory right out of the water. The Apostle Paul wrote: "It was he (Christ) who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up."

Now the theory I am referring to that Paul's statement disproves is this: "The pastor is kind of a hired gun; he is paid to visit all the members of the church, win new people in Christ, and of course, preach sermons that can easily be applied to someone else. And by all means, he should not expect the parishioners to do anything but pay him."

If you have swallowed the theory I have just quoted, please study the evidence of Ephesians 4:11-12. The Pastor/Teacher can accomplish far more when he is allowed "to prepare God's people for works of service."

Let your pastor equip you.

FAWC convention slated

BELLE GLADE - The Florida Association of Women and Girls Club, Inc. will have a one day planning session Saturday, Oct. 13 at the Holiday Inn, U.S. One Highway, Stuart.

The purpose is to coordinate plans for the 1985 annual convention planned for June 15 through 19 in Belle Glade. Representatives of more than 70 women's clubs and 10 girls' clubs are expected to attend. Ida Mizell of Belle Glade, FAWC second vice-president,

will be the convention coordinator.

Joan Bass of Belle Glade is the FAWC fourth vice-president and coordinator of the Miss FAWC Extravaganza. The city association of Belle Glade will be represented.

All local clubs can attend the city association meeting Sunday, October 7 at St. John First Baptist Church at 4 p.m. to select delegates for the planning session. Irene Clay is the city association president.

Dr. Kidder honored

BELLE GLADE - Dr. Clarence Kidder was honored by the Belle Glade Masonic Lodge for his 60 years membership in the masons. Dr. R.J. Allen Jr. and Dr. R.J. Johnson, both past masters of the Belle Glade Lodge, presented Kidder with his 60th year certificate in ceremonies

in Pompano earlier this month.

Kidder, a doctor of animal husbandry for the Everglades Experimental Station for 35 years until his retirement in 1968, first joined the masons in 1924 back in Jamestown, N.Y.

Kidder joined the Everglades Lodge in 1933.

Oktoberfest at St. Peter's set

St. Peter's Lutheran School is having an Oktoberfest, Saturday, Oct. 20 beginning at 5 p.m.

Live German music will feature St. Peter's School chorus presenting folk songs and dances of Germany and an accordionist.

There will be German food, games, crafts and an auction. The school is located at 125 E. Canal Street North and the fest is open to the public.

The Katherine Price Foundation, Inc., of Palm Beach County, Florida will receive sealed bids for:

PROJECT: Katherine Price Foundation, Inc.
New Lodge Building
S.E. Corner, NW Ave. "D" and NW 11th Street
Belle Glade, Florida

BID DATE: October 23, 1984, 2:00 P.M. at Chamber of Commerce at 340 South Main Street, Belle Glade, Florida. At this time all bids will be publicly opened and read aloud.

All prime bidders must submit in accordance with HUD, Federal Compliance Documents and must exhibit evidence that similar work of equivalent magnitude has been accomplished prior to this bid. The successful bidder will be required to furnish a 100% Performance and Payment Bonds.

The Contract Documents are on file and may be examined at the Chamber of Commerce, Belle Glade, Florida. Builders Exchange in West Palm Beach and the F.W. Dodge Office in West Palm Beach. Copies of the Contract Documents may be secured by Contractors. Up to two (2) sets and 1 set of specifications will be furnished to prime bidders at the office of Richard Wenzel, Architects and Planners, 1540 Donna Road, West Palm Beach, Florida, and at the Chamber of Commerce, 340 South Main Street, Belle Glade, FL, at a cost to the bidder of \$20.00 per set of drawings. Additional sets of drawings may be obtained at a cost of \$10.00 for drawings and \$7.50 for specifications. Bids must be accompanied by a Bid Bond or Certified Check in an amount not less than 1% of the bid.

No bid may be withdrawn after the scheduled closing for receipt of bids for a period of thirty (30) days. The owner reserves the right to waive minor informalities in the bids, or to reject all bids.

A Pre-Bid Conference will be held on October 17, 1984 at the Chamber of Commerce Bldg., 340 South Main Street, Belle Glade, Florida.
